

CFHC Board Meeting Minutes  
3/24/09

Present: Steve, Gaby, Sandy, Theresa Sukal

- Times have been set for practices. NU has been in touch with us with potential times for April and May. Until school lets out in June, the early Saturday morning spot is the best option
- Gaby brought up an idea to build a database of team members (including contact information, uniform number, member in good standing, etc), contacts of other teams that we play with, contacts of referees, etc.
  - We would like to have people sign in at practices so we can figure out early if people owe dues and to make sure that our database information is up to date.
  - Gaby will look into ordering more uniforms from Longstreth (now a TK supplier in the US)
- CHICAGO CUP
  - Nevin's social – Besty; she has already reserved a date. It was mentioned that we should make sure there is more food this year.
  - USFHA Insurance – Steve will set this up with them (both Chicago Cup and for the season)
  - USHA membership – Adrienne will need to confirm this with all players in CFHC as well as Chicago Cup
  - Trainers and medical support – T will contact Athletico again
  - Teams – Miami has sent a check so far, 2 Chicago teams, 5 open spots
  - Sponsorship – Sandy will start with last year's sponsors (ask Faizal). She will form a sponsorship committee of people willing to help out.
  - Awards – Crown awards is what we've used before – Gaby will order
  - Hotel – Sandy has been contacted by Best Western. She will negotiate a better deal than last year
- Reminder will be sent for Bike the Drive (no volunteers will lead to increased dues for everyone)
- Steve will set CFHC up on Teamer to get numbers before practices so that teams can be preselected.

Next meeting: Early to mid-April. Tentatively plan for April 4<sup>th</sup> after the first scrimmage.
